The Principal's Corner

Greetings!

This is the week for Parent-Teacher Conferences. I hope you find your meeting with your child's teacher to be a positive and helpful session to discuss his/her academic, social, physical, and emotional wellbeing. If you have not yet scheduled a conference, please call the office as soon as possible at 864-8479 to do so. We strive to meet with all our families during these conferences. Following the usual pattern, school will be dismissed at 11:30 a.m. on Thursday, and no school will be held on Friday to create the time needed for conferences to occur. Lunch will be available in a "to go" format for students prior to dismissal on Thursday.

Three wonderful events celebrating student learning have taken place recently.

On Tuesday, we held the last day of our residency with Burlington Taiko. Fantastic student performances took place that afternoon and evening, and we were pleased with students' talent and the large and appreciative audiences who came to hear them. Many thanks to our P.T.O. for making this event possible for all the students of our school.
