## The Principal's Corner

Greetings!

If you are interested in becoming a part of a C.P. Smith Elementary School Drama Club to explore ways to bring fine arts opportunities to students—especially as part of after school experiences—please contact me at the school.

Our school was visited this week by Farm to School Fork in the Road food truck. Students had a chance to sample delicious locally-grown food.

The registration period for Parent-Teacher Conferences continues. If you have not yet registered for your children's conferences, please do so as soon as possible using the PTCFast system we piloted last year. For directions about how to register for conferences, please refer to the information in a separate part of this week's newsletter.

Thank you for all you are doing—and will do—to make our school community one of safety, respect, and responsibility for all who come through our doors.

## Registering for Parent-Teacher Conferences

Our school had much success with the piloting of the PTC Fast conference registration system last year. We're eager to try it again!

This electronic scheduling of conferences allows for parents and guardians to select their own conference times at any point during the registration period, which began Monday, September 29<sup>th</sup> and continues on until the week of conferences, which is Monday, October 13<sup>th</sup>. (Please do not wait until the last minute to schedule your conferences. You may not get the dates and times you wish.)

Teachers have prepared their conference schedules for Monday, October 13<sup>th</sup> through Thursday, October 16<sup>th</sup>, using this PTC Fast system. Via that website, this system will allow you to select the teacher(s) with whom you would like to hold a conference, and by registering your email address, you will be able to view and select an available meeting time that works for you.

The web link for Smith Parent Teacher Conference scheduling is (<http://smith.bsdrv.org>)

You may also call the school for assistance with the scheduling of your conference(s).
